Introduction

The November board meeting of the association was held at Ravenworth Elementary School. S. Price called the meeting to order. The October 8, 2009 Board minutes were approved.

Neighborhood Watch

The Board discussed the October general membership meeting, specifically Neighborhood Watch. *A volunteer for Neighborhood Watch coordinator will be requested in the next issue of the Farmer. K. Powers will ask Brent Reynolds for the list of individuals who attended last years meeting on the neighborhood stabbing. These individuals indicated they would be willing to take part in Neighborhood Watch.*

The Board briefly discussed the pros and cons of hiring a student to help with next years advertising effort. The Board also discussed listing on the RFCA website a sort of yellow pages specific to the neighborhood (i.e., recommended plumbers, electricians, lawn service, snow removal, food delivery, etc). If successful, RFCA could eventually charge a fee for having a business listed on the website. Such a listing could be very beneficial to the membership, especially new neighbors. Currently, the website has a page listing restaurants who deliver to our neighborhood.

Committee Updates

L. Asiello reported that flyer inserts in the Farmer are not as numerous as in past years. Therefore, not much revenue is being generated this year from the flyer inserts.

The Holiday Hayride will take place Sunday, December 20th, from 5:00 to 7:00 pm at the Church on Inverchapel Road. S. Price negotiated a price of \$685.

K. Powers reviewed information for the November issue of the Farmer. *She will contact the Church to determine if holiday caroling will take place again this year. She will also contact Steve Beste and Ruth Hartman to determine how Ravenworth Farm voted in the November election. A thank you to Martin Perret for his hard work weeding the entranceways will be noted in the Farmer.*

S. Price will contact Hans Jansen to ensure the letter of incumbency is recorded within the association for record and file for the corporation license with the State for FY10. H. Jansen will need to complete this task by the end of November before the State drops RFCA from their database.

Meeting adjourned at 8:10 p.m.
