

MANDR HOUSE 1796-1925  
RAVENSWORTH PLANTATION, VA.

**The Official Publication of the Ravensworth Farm Civic Association, Inc.  
Springfield, Virginia**

November 2007

**The Ravensworth *Farmer***

VOL. XLIV Issue 3

**FROM THE PRESIDENT**

Farmers,

Sometimes it seems we hear only negative comments about the state of the world today. If you watch the popular media, it appears the crime rate is up and very few people are willing to help each other. Interestingly, crime is statistically down and volunteerism is at what I believe to be an all-time high. In fact, the younger generation is showing signs of volunteering at a rate only matched by our fine generation from World War II. For example, here are two young men who are making a difference: Gus Nielsen for installing dog waste bag dispensers around Accotink Park and Sean McKinney, a life-long scout and member of Troop 990. Sean will be organizing an effort to glue nearly 250 plaques onto every storm drain in the neighborhood. Each plaque reads "No Dumping, Drains to Accotink Creek". Both boys planned these projects as part of their efforts to become Eagle Scouts. Not only are these two young men socially-oriented but they both demonstrate tremendous leadership potential.

Hans Jansen is looking for help with our energy conservation plan as well as our emerging bicycle plan for the neighborhood. If anyone has a particular interest in those areas please contact Hans at 321.4919 or email him at [thansjansen@hotmail.com](mailto:thansjansen@hotmail.com). Interestingly, Hans lived in Thailand and Vietnam where he helped

*(Continued from page 1)*

setup the electrical conservation programs. Not only can you discuss smart electricity use and wise biking with Hans but also areas of interest in Asia. Catherine Craig thankfully volunteered for the tree canopy group's efforts to identify our trees and will be working with Hans on this effort. Thanks to both of them for taking on these challenges. I'd also like to thank Mr. Stringer and Dick Sargent and the many others who volunteer in our neighborhood.

Does everyone know the Annandale High School paper; the A-Blast, won a national award last year for its quality? And Annandale HS has one of the few commercial kitchens for culinary arts students, partly thanks to the work of School Board Member, Tessie Wilson and a group of altruistic business people who helped raise funding for this project.

Remember there are lots of good people out there-- in the neighborhood, at the schools, and all around our community.

Brent Reynolds—President, Ravensworth Farm Civic Association  
Email: prez@ravensworthfarm.org, Cell: (571) 214-9068

### THANK YOU!

A special thank you to the following people who watered the entranceways to our neighborhood this year and kept them looking nice:

- ★ Eddie Deyampert
- ★ Agnes O'Keefe

**THANK YOU**

With so little rain, this was a big project. If you see them, thank them!!

## **IS THERE A GREEN ROOF IN YOUR FUTURE?**

For those that don't know, green roofs are growing-plant beds placed on a rooftop. They consist of a waterproof, root-proof layer of polyethylene protecting the roof itself, a bedding container, the growth media (engineered soil components and organic soil), and one or more species of plants. These plants can include weather-tolerant alpine varieties of succulents, and certain herbs, grasses, or mosses. Maintenance is minimal, just like a conventional roof. Twice a year you need to inspect the roof for leaks, damages, invasive weeds or tree saplings. Watering and enriching the soil in the first years can yield a roof that lasts for thirty years or more! How's that for sustainable?

The benefits of green roofs fall into four categories- economic, ecological, aesthetic, and psychological. Just as with any improvement over traditional building methods, the initial cost of a green roof can be higher than conventional products and methods. Over time, however, the costs of heating and cooling your home will be reduced as the living roof shields the structure from the heat of the summer, and insulates it from heat losses in the winter.

Ecologically, the roof reduces the resources needed to re-roof using conventional materials, as well as decreasing the wastes from re-roofing, which are not currently fully recycled. Water remediation and retention are also built-in; no-effort benefits of green roofs. Plus, you'll also be contributing to a decrease in global temperatures-- green roofs do not reflect heat back into the atmosphere, thereby reducing the "heat island" effect of large metropolitan areas.

The aesthetic and psychological benefits are harder to tease apart. You'll know if a green roof is right for you when you see the pictures and imagine your own roof covered in living plants that are protecting and shading your home. If that moment brings a tingle of excitement and a gentle sense of the good the roof will do for the environment, then this might just be an option for you. The minimal effort it takes to care for the roof and the higher price it will cost to build it will be just slight inconveniences on your path to a healthy, world-healing, inspiring addition to your home.

The websites: [www.GreenRoofs.com](http://www.GreenRoofs.com) and [www.dcgreenworks.org](http://www.dcgreenworks.org) are excellent places to begin sourcing materials for a project, or for seeking advice and services from professionals in the green roofing industry, which has seen tremendous growth in the last few years.

## **GREEN THUMB GARDEN CLUB**

At our monthly meeting, the Garden Club enjoyed a speaker from the Fairfax County Extension Service, who spoke to us about growing and using herbs. The Garden Club welcomes anyone who is interested in beautifying your home inside or out! Interested in joining us? Please contact Laura Asiello at 703-321-7840 for more information and meeting times.

## **GARDEN TIPS FOR THE SEASON**

- You can still plant flowering bulbs.
- Make another application of fertilizer for cool season grass.
- Rake and bag leaves—then add them to your compost pile!
- Clean leaves and debris from all gutters and curb areas.
- Be sure plants are well watered going into winter (especially important since we are in a drought.)

## NAME THAT NEWT!

The Green Committee of the Ravensworth Farms Civic Association has a logo, courtesy of neighborhood artist Chris Lipsey. It is a red-spotted newt and is native to Northern Virginia. Chris used to see them at Lake Accotink as a boy.

But our newt has no name! So, we are turning to the elementary school students to help us name him/her/it. Submit your idea for a chance to win a prize! The contest is open to all elementary students who live in Ravensworth or attend Ravensworth Elementary school.

The Green Committee works on environmental and energy issues to make our neighborhood a healthier and better place to live.

Include your name, grade, school, address and phone number along with your suggestion.

Send all submissions to Jim Hickey, 5308 Nutting or give them to any committee member or Margaret Kinder at Ravensworth Elementary.

The deadline is the end of the year, so name our newt!

## SWEET MONDAY—A MONTHLY SOCIAL FOR THE LADIES OF RAVENSWORTH FARM

Were you able to join us for 'Sweet Monday' on November 5th? If not, don't worry — we have another get together coming up on **December 3rd!** Take time out the first Monday of every month to relax, laugh and talk with other women. Each month will have a fun theme, sweet food and great fellowship. Feel free to bring a friend!

No commitment to come each month required. Come late, leave early — whatever you need to do is fine. Kids 5+ can come and watch a movie while we chat.

RSVP: A Aberle, (703) 321 3379 — 7938 Ellet Road

**\* Do you host a weekly/monthly/annual event at your home and want to invite your neighbors? Let us know! We'll include your event here and on the website: <http://www.ravensworthfarm.org>.**

## HOLIDAY PARTY FOR RAVENSWORTH SENIORS

On Wednesday, December 12th, the Ravensworth Farm Seniors will meet for a potluck lunch at 11:00 at the Community of Christ Church (5610 Inverchapel Road.) We'll begin eating at 11:30, so bring a dish to share. Newcomers are always welcome—and newcomers do NOT have to bring anything! This is a happy time for all of us and we wish to share it with others. Do you have comments, questions or just need a ride? Please call Dick or Martha Sargent at 703-321-9143 or Ruth Miller at 703-321-7477. At our last meeting, we learned about all the services that Fairfax County offers us. Please contact the Sargents or Ruth Miller if you would like any additional information.

## SIGHTS AND LIGHTS OF THE SEASON

Greetings fellow residents! With only a few days left until Thanksgiving, time is near to untangle your strings of lights, test the bulbs and make sure that all the holiday decorations, which were carefully stored last year, are in top-notch shape for another fabulous **Ravensworth Holiday Display!** This year's judging will take place on **Friday, Saturday and Sunday, December 14th, 15th and 16th.** Remember that the categories of judging will be: If you wish to be included for consideration of an award, please have your lights on Friday, Saturday and Sunday evenings from 6 P.M. to 10 P.M. Garden Displays will be viewed during daylight hours on those days as well. As in year's past, if you spot a home deserving of special recognition, please e-mail [RFCAholiday@att.net](mailto:RFCAholiday@att.net). This year,

- |                           |  |
|---------------------------|--|
| * <b>Best Overall</b>     | * <b>Most Original</b>                               |
| * <b>Best Religious</b>   | * <b>Kid's Favorite</b>                              |
| * <b>Best Door/Window</b> | * <b>Best Daytime Display (garden of the season)</b> |

residents will have an extra week to decorate. **The winners will be posted at our website:** [www.ravensworthfarm.org](http://www.ravensworthfarm.org) as soon as judging is complete. Also, the results will be published in the January edition of the *Farmer*. Please remember that we invite everyone's participation. However, homes that won a category last year are not eligible to win this year. Good luck!

## HOLIDAY CAROLING IN THE NEIGHBORHOOD

On Sunday evening, **December 16th at 6:00 P.M.** we invite you, your family (of all ages) and neighbors to join in an evening of holiday songs to residents of the Ravensworth Farm community. It has been our tradition for well over 20 years now for our singers to join together at the **Community of Christ Church at 5610 Inverchapel Road** where we will receive songbooks and join together for caroling around the Ravensworth Farm community. When we finish singing, usually about 1 to 1 ½ hours, (or when it grows too cold!) our group will return to the church for baked goodies and beverages. This time together provides additional opportunity for the singers from around the neighborhood to visit with each other. So mark your calendars, bring your flashlights to see the songbooks, and come on out to enjoy a fun evening while bringing joy and heartfelt holiday greetings to your neighbors in Ravensworth Farm. Please contact Wally Evers at 703-321-8254 before December 15 to let us know how many to expect, or to find out any other information. Also, call Wally if the weather that evening is questionable. Unless there's a rainstorm or heavy snow, it's usually "a go".

## HOLIDAY HORSE & WAGON RIDE FOR CHILDREN

The Belgian Draft horses are coming back! On Saturday, December 22 from 5:00 – 8:00 pm your children can experience an old-fashioned wagon ride through our neighborhood. Please meet at 5622 Inverchapel—bike or ride, if possible, since parking is limited. Come and enjoy the sights of the season from this unique perspective with your children.

## PARKWOOD BAPTIST CHURCH PRESENTS BETHLEHEM WALK

**December 9-10, 2006, from 5:00 p.m. to 8:00 p.m.**  
Parkwood Baptist Church, 8726 Braddock Road, Annandale, VA  
across from the King's Park Shopping Center

Stroll Back in Time . . . Come and revisit a busy street in Bethlehem on the night Jesus was born. This FREE interactive program has something for everyone. It features townspeople working at their trade and sharing their goods with visitors -- and ends with the stable where you will find a Live Nativity where children can pet the animals. Upstairs you will be welcomed with Christmas Carols, refreshments and gifts for the children. Visit our website at [www.parkwood.org](http://www.parkwood.org) for more information.

# Community Education on Non-Point Source Pollution (NPS)

## COMING TO A DRAIN NEAR YOU!!

**SATURDAY, NOVEMBER 17, 2007 OR RAIN DATE: SATURDAY  
DECEMBER 1, 2007 10 AM—4 PM**

Storm Drains are NOT Trash Cans! Each time it rains, debris and waste is washed down the storm drains. Water flowing through storm drains is not filtered before flowing into local streams. This means anything you put down storm drains flows directly into our local streams and creeks.

### Steps to keep your drains clean:

1. Throw litter away in trash cans. Pick up trash off the road and keep it out of the storm drains.
2. Avoid over-using fertilizers, pesticides or herbicides; also avoid use before storms. Get your soil tested and use lawn chemicals only in the amounts needed.
3. Dispose of used motor oil and anti-freeze at your local gas station. Never throw household paints or cleaners down the drain! It is against the law! Call the hazardous waste info line at 703-324-5068 with questions about disposal of paint and cleaners.

**What is NPS??** Non-Point Source Pollution is a form of pollution contaminating our waterways through storm drains. Several different forms of NPS pollution include: Sediment, Nutrients, Toxic Substances and Pathogens. The Environmental Protection Agency has determined that non-point sources are a primary cause of our nation's water quality problems.

**Where does NPS Come From?** Anyone who has or uses land contributes to NPS pollution. It doesn't come from one source, or point, like a sewage treatment plant or an industrial discharge pipe.

**Affects of NPS Pollution:** Impairs or destroys aquatic life (nutrients over-enrich waterways causing algal blooms, which deplete oxygen necessary for aquatic life). Algae clouds the water cutting off sunlight to underwater vegetation. Covers fish spawning beds.

Sediment also blocks sunlight by clouding the water. It also covers the bottom of the lake/stream, destroying aquatic life. Over time, it fills in lakes and reservoirs leading to the need for expensive dredging.

### **Remember: Lake Accotink is part of a chain of Watershed Activity!**

Accotink Creek flows into Lake Accotink and they both flow into the Potomac River, which flows into Chesapeake Bay. Let's Keep Accotink Creek and Lake Clean for Our Community, the Potomac River Community and the Chesapeake Bay Area for our generation and for those who follow in our footsteps!

### **Please Drive Slowly Near Our Volunteers on November 17 or December 1, 2007!**

We will be marking the storm drains, handing out flyers in the neighborhood, which educates the community, and traveling in between the headquarters at Ravensworth Elementary School. Come join in this community effort between 10 am and 4 pm!

This project is authorized by the Virginia Department of Transportation, the Northern Virginia Soil and Water Conservation District, and the Ravensworth Farms Civic Association. This project was funded by Fairfax County Department of Public Works and Environmental Services. If you have any questions about this project, or would like to organize your own storm drain marking project, call Watershed Specialist, Christin Jolicoeur at 703-324-1423.

## Think you don't have the time or know-how to build your own family Web site? Think again!

### Create a Website, write a blog, air a podcast... you can do it all.

**MojoWebDomains.com** makes it fun for ANYONE to create their own site — without spending a fortune! Launch your own Web site. Start an online business. Share your favorite photos. Whatever you want to do online, a .COM domain name can make it happen!

Domain names from Mojo Web Domains are not only affordable, each one comes with a rich collection of FREE extras, including:

- ✓ **FREE! Online Photo Album**—Share, print & store your family photos online
- ✓ **FREE! Blog**—Instantly share your thoughts on everything from family to politics
- ✓ **FREE! Personalized Email Account**—Spam & virus protected email
- ✓ **And MUCH more!**

With Mojo Web Domains, getting on the Web is fast, easy and affordable.

#### DOMAIN NAMES

Your address on the Web (*www.YourName.com*). It's how people find, remember and refer to your Web site.

#### WEB HOSTING

Online storage space to store the files from your website — **99.9% uptime guarantee**.

#### EMAIL ACCOUNTS

Fast, ultra-reliable, secure and **advertising-free** (*you@YourName.com*).

#### ONLINE FILE FOLDER

24/7 online file storage — great for securely sharing documents.

#### FAX THRU EMAIL

Send and receive faxes using your email account instead of a fax machine.

#### QUICK SHOPPING CART

Create and publish an Internet store!

#### LIVE CUSTOMER SUPPORT

Highly trained and courteous phone support staff.

**.COM'S \$9.99 per year**

**Website Hosting starts at \$5.95 per month**
