Issue 5

PRESIDENT'S LETTER

Friends, Farmers, Neighbors:

I have thoroughly enjoyed my time as the Ravensworth Farm Civic Association President. My adult life has largely been dedicated to service, at church and within the community, and I do not serve for the sake of recognition or reward. Yet, I have received a great deal of recognition for my efforts.

I prefer, however, to give credit where credit is due. Ravensworth Farm has far more than its fair share of great neighbors and citizens. I see it on the trail around Lake Accotink; I see it at the elementary school; I see it in the quiet acts of service done for neighbors. It is those of us who quietly go about making life better for others who deserve the greatest praise and who deserve the most credit for making Ravensworth Farm the fabulous neighborhood that it is.

The Farmer Awards were created to recognize the members of our community who do good solely for the sake of goodness. The Farmer Awards were created to express gratitude to those who serve the community without thanks, or, perhaps, without the measure of thanks they really deserve.

The awards will be presented at the Fourth Annual Ravensworth Farm BBQ on August 4, 2018. Stay tuned for details on the neighborhood BBQ.

Farmer of the Year

Young Farmer of the Year

Life of Service Award

The deadline for nominations is April 30, 2018. Nominations received after this date will not be considered. All nominees must be residents of Ravensworth Farm. RFCA Board members are ineligible during their tenure and for a period of five (5) years following the end of their tenure. Farmer of the Year: the acts of service for which the nominee is nominated must have been done within the previous twelve (12) months and must have benefitted the Ravensworth Farm community. Young Farmer of the Year: in addition to the rules governing Farmer of the Year, the acts of service for which the nominee is nominated must have been done while the nominee was under the age of nineteen (19). Life of Service Award: this award is to recognize consistent service given over a number of years of residency in Ravensworth Farm.

I look forward to learning about all the great things that my neighbors have been doing for one another.

Truly yours,
Allan Robertson, President of the Board
Ravensworth Farm Civic Association

GET THE MESSAGE

Have you seen the new message boards at the neighborhood entrances? Each neighborhood entrance, at Braddock and Queensberry, Braddock and Inverchapel, and Queensberry at Flag Run, has received a new message board. After a good deal of deliberation and waiting, the new additions to our entrance signs are in. Much thanks to everyone who pitched in to make the updates possible.

Keeping up to date with what is happening in Ravensworth Farm is now easier, and these new message boards are built to last a lifetime, so we will be able to enjoy them with very little maintenance for many years to come.

RAVENSWORTH PTA

By Nicole Ferrara, PTA President

In March local author (and FCPS teacher), Natalie Dias Lorenzi visited Ravensworth ES. Students have been enjoying reading her books *A Long Pitch Home* and *Flying the Dragon*. She spoke with upper grade students about her process of turning ideas into stories.

Our biggest fundraiser of the year, Run 4 Ravensworth, is quickly approaching. Our run will occur on Friday, April 27. If you pass by the school that morning you will notice students happily running laps through the parking lot to earn money for the school. You may be approached by your elementary-aged neighbors requesting donations to support their running efforts. Please consider supporting them by donating directly to the students or through www.ravensworthpta.org. Thanks in advance for your support!

SAVE LAKE ACCOTINK UP AND RUNNING!

Editor's Note: Refer to the March 2018 issue of The Ravensworth Farmer for a more detailed overview and for proposed resolutions to be voted on at the March 22 Civic Association meeting.

On February 6, 2018, Ravensworth Farm Civic Association held an emergency meeting to discuss the future of Lake Accotink. Supervisor Cook attended and answered questions. During the meeting, Supervisor Cook challenged the people at the meeting to get organized, form a non-profit, start a petition drive, make yard signs, begin a social media campaign, etc.

A number of Ravensworth and North Springfield residents took up the challenge. The next day, a non-profit organization, SAVE LAKE ACCOTINK, was officially formed. SAVE LAKE ACCOTINK is dedicated to the sustainable preservation of Lake Accotink in its current form.

Why should we save Lake Accotink?

I am sure the immediate answer on your minds is because we love the lake. Lake Accotink is an important part of our lives. We enjoy walking around the lake, running into friends and neighbors on the trail, and we love all the nature photography that gets posted on the Ravensworth Farm Facebook page.

But Lake Accotink is much more than just a body of water. Lake Accotink is a vital component of Fairfax County's natural environment. The lake, of course, is man-made, but it is home to abundant wildlife.

If Lake Accotink is eliminated as proposed in Options A and E of the Park Authority's Master Plan Revision, the aquatic wildlife and its birds, including the herons and eagles, will disappear. If the lake is retained but made smaller, as in Option F, it will not be large enough to sustain the number and variety of wildlife it now does. The smaller lake proposed in Option F is not large enough, does not provide enough fishing area, for our bald eagles. Only Options B and C preserve Lake Accotink as a home for much of the wildlife we love. (See the March 2018 issue of *The Ravensworth Farmer* for additional details on Options A-F)

More than just providing a home for animals, Lake Accotink is vital to the health of the waters below the lake. Increased rainwater runoff from our roadways and parking lots has increased the amount of sediment carried downstream by Accotink Creek. When that sediment washes into Lake Accotink, roughly half of it is trapped as the water flow slows and the sediment is allowed to settle.

Sediment in stream water is considered a pollutant. Too much sediment will kill aquatic wildlife and adversely affect the other animals that rely upon that aquatic wildlife.

The water quality above Lake Accotink is quite poor. The water quality below Lake Accotink is much better. Because Lake Accotink is doing its job to trap sediment, more wildlife survives below the lake than above the lake. This wildlife below Lake Accotink that depends upon the lake even includes an endangered freshwater mussel. None of these mussels live above Lake Accotink, and if the lake is allowed to fill in or if the dam is removed, the population of mussels below the lake will be destroyed.

Another reason to save Lake Accotink is that it serves a more diverse population than any other lake in Fairfax County. Lake Accotink provides much-needed recreation for an underserved population. If the lake disappears, these much-needed amenities will likely go with it. This underserved community lacks a voice. SAVE LAKE ACCOTINK is reaching out to give all members of the community the voice we deserve.

What about the cost?

The estimated cost of all the options presented by FCPA can be found at <https://www.fairfaxcounty.gov/parks/planning-development/lakeaccotink>.

But these costs do not account for the myriad hidden costs that have not been studied at all. If the dam is removed or the lake is allowed to fill in, all that sediment that is currently being trapped will flow downstream through lower Accotink Creek, into Pohick Bay, and into the Potomac on down to the Chesapeake.

Con't from Pg. 8

Environmental regulations limit the amount of sediment that waterways are allowed to carry into the Potomac and Chesapeake and pending regulations will further reduce the amount of sediment Accotink Creek is allowed to dump into Pohick Bay. As stated above, Lake Accotink is trapping about half the sediment flowing into it from Accotink Creek and its upper tributaries.

If FCPA gets rid of the lake, something else will have to be done to trap this sediment. The cost of the measures required to replace Lake Accotink's sediment sequestration will likely be in the hundreds of millions of dollars. Compared to the hidden cost of losing the lake, the \$45,000,000 cost of dredging the lake and creating a forebay is a bargain.

According to Fairfax County Board of Supervisors Chairman Sharon Bulova in a Washington Post article dated December 29, 2005, "The lake 'is doing its job' as a filter for the Chesapeake Bay. The citizens of Fairfax County cannot afford to allow Lake Accotink to stop doing its job.

Which of the FCPA options is best?

Given the need to preserve the lake as a sediment trap and the value of the lake as a home for wildlife and for recreation, Option C is the only sustainable option.

Option C calls for a full dredge of Lake Accotink and the construction of a forebay. The forebay will trap most of the sediment washed downstream, extending the time between full dredges of the lake to thirty-five (35) years or more.

If the forebays are placed above the lake by Braddock Road, Option C becomes even more sustainable. The annual dredges of the forebay will cost less and, with immediate access to Braddock Road, will impact the community less.

There are also other alternative methods for implementing Option C that FCPA has not yet studied or considered. SAVE LAKE ACCOTINK is working to find the best solutions for the environment and the community.

What can we do to save Lake Accotink?

SAVE LAKE ACCOTINK has begun a growing movement. We have started a petition to get the issue placed on the 2019 ballot for a bond referendum.

FCPA lacks the budget to pay the cost of dredging Lake Accotink. A bond is required to fund Option C. A link to our online petition can be found on our website, savelakeaccotink.org.

We need to get enough signatures to get the bond referendum on the ballot, and our deadline for these signatures is May 28, 2018. Please go online and sign the petition. We could also use some help taking hard copies of the petition to the lake at busy times or door to door. You can volunteer on our website, too.

In addition to the petition, we are printing more yard signs. You have probably already seen them around Ravensworth. If you would like a yard sign you can contact us through our website or attend one of our future events.

Our next scheduled event is April 7, 2018. The morning of April 7, The Nature Conservancy is sponsoring a watershed cleanup. After the cleanup, SAVE LAKE ACCOTINK is hosting a BBQ in the pool parking lot with a silent auction of Lake Accotink art. Further details are TBD.

Also, please let us know if there is some other way you would like to get involved. We are looking for leaders, graphic designers, social media specialists, and any other types of helpers who care about Lake Accotink.

Follow us on Facebook, Twitter, or Instagram or visit our website at SaveLakeAccotink.org to keep abreast of this and other future events.

ACCOTINK COMMENT PERIOD ENDS MAY 28

From February 15, 2018 email from the Fairfax County Park Authority

We are very pleased to see robust discussion and interest regarding options for Lake Accotink!

Throughout the master planning process, our goal has been to maximize community engagement and to hear from as many people as possible. After first presenting the lake management options to the community in May 2016, we received only a smattering of comments from residents. Subsequent to the January 22, 2018 community meeting, attended by more than 100 citizens, we have received more than 400 responses to our online survey and nearly 50 individual emails from citizens sharing their preference and perspective. Each person's input is valuable in determining the management of the lake which, in turn, will influence the character of Lake Accotink Park in the future.

We recognize that this is a very complex issue, and so, with that in mind, we have decided to keep taking public comment about the future of the lake through Monday, May 28, 2018. This extended comment period will allow more residents to consider the options and share their thoughts before any decisions are made.

If you have not shared your opinion regarding the lake management options, please go to the Lake Accotink Park Master Plan Revision project webpage (www.fairfaxcounty.gov/parks/planning-development/lakeaccotink) to review the options under consideration. We ask for your response to a quick online survey that will indicate your preference for the future of the lake. You can also share additional comments through the survey page or send your comments separately to Parkmail@fairfaxcounty.gov.

Help us spread the word! Lake Accotink Park is a countywide resource, providing recreational opportunities and the chance to connect with nature to all county residents. All of us can help shape the future vision for this well-loved park, so please share this email or a link to the project page.

As always, thank you for your continued interest and participation in this important community discussion.

COUNTY EXECUTIVE PRESENTS PROPOSED COUNTY BUDGET

From an email by Supervisor John Cook, February 20, 2018

Fairfax County Executive Bryan Hill presented his proposed 2019 County Budget Plan at this morning's Board of Supervisors' meeting. His presentation begins the County budget season. The final budget will be voted on by the Board of Supervisors on May 1, 2018.

Mr. Hill recommended a real estate tax rate increase of 2.5 cents (from \$1.13 to \$1.155 per \$100 of assessed value). This increase would fully fund the Fairfax County Public Schools' request, address many of the Board of Supervisors' priorities (including Diversion First and Gang Prevention), and fully fund the County employee compensation plan. The average Fairfax County resident would see \$268 added to their tax bill. You can find more details on the proposed FY2019 budget [here](#).

I have concerns about this budget proposal. On one hand, top priorities, such as teacher pay and our Diversion First program, are funded. On the other hand, the proposed tax increase is significant. I would have preferred to see some proposals for reductions in non-priority programs as a better way of funding key priorities.

The County Executive's proposal is only the first step in our budget process. Your opinion matters. You may submit your comments to my office at Braddock@fairfaxcounty.gov or call 703-425-9300. I take your opinions very seriously and will consider them all prior to making a final decision on the budget.

MEET YOUR NEIGHBORS - BE A BLOCK CAPTAIN

Block captains deliver pre-paid Directory orders and sign up new Civic Association members and deliver Directories on the spot. Forty of your neighbors volunteered last year. However, many streets didn't have active block captains so membership was down- resulting in a significant reduction in budget for Civic Association activities. Sign up for a block near you or be adventurous and visit the other side of the neighborhood! Contact Elissa Myers to be a block captain- 703-321-7590 or elissa@elissamyers.com.

NEW NEIGHBORS COMMITTEE

Pam Ryan is still looking for volunteers to join the committee. However, she would like to thank Cindy Cho and Ashton Streavig for volunteering and joining the committee. They have been a great help!

Please e-mail Pam at pkryan74@gmail.com if you would like to help or please let Elissa Myers know if you would like to be a block captain. (You can do both!) You don't have to be a long-time resident of Ravensworth Farm to greet new neighbors or be a block captain. A friendly face and a few minutes a week are enough.

A NEW EAGLE IN RAVENSWORTH

Please join Troop 991 in congratulating Edward Haggerty who became our 103rd Eagle Scout!

Since Arthur Eldred became the first Eagle Scout in 1912, the rank has represented a milestone of accomplishment, perhaps without equal, that is recognized across the country and even the world. Men who have earned the Eagle Scout rank count it among their most treasured possessions.

"Eagle Scout" is not just an award; it is a state of being. Those who earned it as boys continue to earn it every day as men. That is why an Eagle Scout IS an Eagle Scout, not was.

There is no workaroud to get to Eagle. So, set your child on his or her path to this achievement by joining us. Troop 991 is Scout-led, and sponsored by the Ravensworth Elementary PTA. We live and scout in your neighborhood!

POOL SEASON IS COMING! SIGN UP FOR EARLY BIRD REGISTRATION

Our Early Bird Registration for the 2018 Pool Season is here! If you haven't signed up yet, go to www.ravensworthfarmpool.com and become a member today. We also have a new Facebook page. Follow us on <https://www.facebook.com/ravensworthfarmpool/> to get the latest announcements, event highlights, notification, and event updates throughout the summer.

Our neighborhood pool provides the opportunity for meet-ups, potluck dinners, birthday parties, and making new friends. We continue to make improvements at the pool and the surrounding facility. Last season, our pool installed a mushroom spray fountain in the kiddie pool with a zero-grade entry to the baby pool, added remote shower, purchased new chairs and shade canopies. This season, the women's bathroom is expected to get refreshed and the pool will be purchasing new lane lines for our swimmers.

There is something for everyone at our pool. For families, there is our awesome Division 4 swim team, swim lessons (Fledglings), award-winning dive team, and fun activities such as bingo Wednesdays, Sunday float nights, and more. For adults, summer fun includes movie nights, corn hole competition, Cinco de Mayo and July 4th party, adults only events, and pig roasts.

Swim Team, save May 19 for the Swim Team and Dive Team picnic at the pool from 12-3 (raindate May 20). This a great time for new and returning swim and dive families to come together to kick off the 2018 summer season, meet the coaches, including head coach Elizabeth Moore (Coach Liz), and purchase the new team suits.

Save \$50 by registering before May 5th, so don't delay in signing up! Please contact Jennifer Auble, Membership Director, for any questions at 703-922-9353 or membership@ravensworthfarmpool.com. See you at the pool!

VOTE, LEARN, AND EAT - MARCH 22

The Ravensworth Farm Civic Association Membership will have the opportunity to vote on a proposal, that our community supports, for the future of Lake Accotink. Please come prepared to vote by reviewing the summarized six options proposed by the Fairfax County Park Authority and the two proposals the Association is recommending. The options and proposals were in the March issue of The Ravensworth Farmer. Find it online at ravensworthfarm.org, if you can't find it in your house.

Senator Dick Saslaw and Delegate Vivian Watts have been invited to attend to review the VA General Assembly session. We are hopeful their schedules will permit their attendance but the session may not end in time.

The Association will put on its own "Taste of Ravensworth" with refreshments provided by local eateries. If you have a food-related business and would like to share it, contact Scott Houghton at vp1@ravensworthfarm.org.

Come, vote, learn, and eat!
