CUB SCOUT PACK 991 UPDATE

Greetings Farmers, Families, Adjacent Neighbors, and Friends!

Cub Scout Pack 991 had an exciting 2022 and is well on the way to an equally adventurous 2023! Here are a few of them...

WreathsAcrossAmerica. On December 17th, your neighborhood Scouts participated in Wreaths Across America at Alexandria National Cemetery, along with several Scouts from BSA Troop 980. Rest assured, the Pack well represented our community as it continued the tradition to “Remember, Honor, and Teach” by joining volunteers at over 3,700 locations in the U.S. and abroad. Thank you, Scouts and Families!

Pathforward. Also in December, the Wolf Den participated in the Homeless Bagged Meal Program for Pathforward, the homeless shelter in Arlington. The Scouts prepared bagged lunches and meals for the shelter, helping those in need by “Doing a Good Turn.”

Archery. Webelos and Arrow of Light Scouts participated in the first of many archery classes at the Izaak Walton Archery Range in Centerville this past December. Scouts learned a lot about range safety and archery fundamentals and had loads of fun doing it. Special thanks to Cubmaster Matthew Kurtz for organizing this awesome event.

Den Meetings. All six Dens continue to work hard on requirements, activities, and rank advancements. Great job, Scouts (and especially THANK YOU, DEN LEADERS. We couldn't do it without you).

Pinewood Derby. It's that time of year again...Raceday! Get your Pinewood Derby cars race-ready and join us on March 11th at St. John's United Methodist Church on Backlick Road. We hope to see you there!

Spring Campout. As the Pack looks forward to warmer temperatures, and more camping at Camp Wilson in April, we are committed to keep the “out” in Scouting. One of the fundamental components of the Scouting program is exploring and respecting the outdoors. Our founder, Lord Baden-Powell, stated over 100 years ago, “open-air is the real objective of Scouting and the key to its success.” We agree, 100%!

Want to Join? Cub Scout Pack 991 is open to all boys and girls, Kindergarten through 5th Grade. We meet throughout the year for many activities at Ravensworth Elementary School, the Church of Christ, Lake Accotink, and various locations in and around the local neighborhoods.

If you are interested in joining us, please contact: Matt Kurtz or Sean Tompkins at cubpack991@gmail.com or visit <https://beascout.scouting.org/> and look us up. You can also follow the Pack's Adventures on Facebook at <https://www.facebook.com/groups/cubpack991>.

KIDS ARE STARS OF LEGO DISCOVERY CENTER GROUNDBREAKING

By Mike Salmon

(Source: [Springfield Connection Newspaper, December 15, 2022](#))

The new Lego Discovery Center will open next summer in Springfield.

There's a good chance engineers across the region got their start with Legos, and now all Lego lovers will have a better opportunity to hone those building skills when the new 32,000-square-foot Lego Discovery Center opens next year in the Springfield Town Center. Officials as well as a bunch of Lego children were on hand for the groundbreaking of the new center on December 8. The highlight of the groundbreaking event was a bucket loader truck full of Lego bricks, and Lego costume characters, right outside of the mall entrance, marking the official groundbreaking moment. Justin Roth, the Town Center marketing director, stressed that it will be much more than just a store.

“It's a whole indoor Lego experience,” he said.

GUARD YOUR WALLET (AND HEART) AGAINST ROMANCE SCAMS

By Melissa Smarr, Fairfax County Silver Shield Anti-Scam Campaign

(Source: [Golden Gazette, January 2023](#))

Many people are looking for love or just a companion after the loss of a spouse or partner. Adding to this already nerve-wracking process is the danger of getting scammed. Scammers are lurking on dating websites, hiding behind their computer screens, knowing that they can find very trusting people to send them money.

The local news has shared stories of men and women losing thousands of dollars by sending money to their new loves. One recent case in our community involved a teacher who lost her spouse right before she retired. She spent the first six months of her retirement extremely sad while coping with her new reality. She decided to join a dating website to find a companion because she was lonely. After joining a dating site, within six months she gave approximately \$260,000 to her new companion. She never met the man, but believed he needed the money to see her. After contacting the FBI, she discovered that the man was from overseas and she was not able to retrieve any of her money. This story is not meant to scare you, but to make you aware that there are criminal scammers on dating websites, posing as potential companions, who only want your money.

Follow these tips to protect yourself from becoming the victim of a romance scam:

- Do not give money to anyone you've never met.
- If anyone pressures you to send them money, end the relationship.
- If a person provides multiple excuses why they do not want to meet you in person, end the relationship.
- Beware of any photos the person sends. There have been cases where scammers will take photos they've found online, claiming to be the person in the photo.
- Do not overshare with anyone you meet online. Scammers gather your personal information to convince you to send them money.
- Trust your instincts. If something does not feel right, end the relationship.

U.S. DEPARTMENT OF JUSTICE'S NATIONAL ELDER FRAUD HOTLINE

(Source: <https://ovc.ojp.gov/program/stop-elder-fraud/providing-help-restoring-hope>)

The U.S. Department of Justice's National Elder Fraud Hotline, managed by the Office for Victims of Crime, provides services to all adults ages 60 and older, who may be victims of financial fraud.

The hotline is staffed by experienced case managers who provide personalized support to callers by assessing the needs of the victim, and identifying relevant next steps.

While the hotline does not serve in an investigatory capacity, case managers will identify appropriate reporting agencies, and provide information to callers to assist them in reporting, or connect callers directly with the appropriate agency. The Hotline staff also provide resources and referrals to other applicable services as needed. When appropriate, case managers will complete a complaint form with the Federal Bureau of Investigation Internet Crime Complaint Center for Internet-facilitated crimes and submit a consumer complaint to the Federal Trade Commission on behalf of the caller.

Reporting certain financial losses due to fraud as soon as possible, and within the first 2–3 days, can increase the likelihood of recovering losses.

**If you or someone you know has been a victim of elder fraud, help is standing
by at the National Elder Fraud Hotline:**

**1-833-FRAUD-11 or 1-833-372-8311
Monday–Friday, 10:00 a.m.–6:00 p.m. eastern time
English/Español/Other languages available**

Financial scams and abuses that target older people are happening more and more.

This hotline is a free resource created by the U.S. Department of Justice (DOJ), Office for Victims of Crime for people to report fraud against anyone age 60 or older.

Reporting suspected fraud is the first step.

Reporting can help authorities try to stop those who commit fraud and also help prevent others from becoming victims. Our experts will help you navigate this process.

No fear, total understanding.

The hotline is staffed by professionals who know how to support victims of fraud. Don't worry, you can count on case managers to be caring and understanding.

Personalized service at no cost to you.

You will reach a case manager who will help you through the reporting process at the federal, state, and local levels. You will also be connected with other resources on a case-by-case basis.

LAKE ACCOTINK PROJECT UPDATE:

BENCHES ARE RETURNING TO THE TRAILS AT LAKE ACCOTINK PARK

All benches were removed from the Lake Accotink Park trails due to safety concerns. New benches were purchased and are now being installed in some of the original locations as well as new locations.

LAKE ACCOTINK PARK CROSSOVER BRIDGE

The project consists of creation of approximately 300 linear feet of asphalt trail improvements and 325 linear feet on an elevated concrete pedestrian crossing over the dam outfall in Lake Accotink Park. Total project costs, inclusive of design, permitting, testing, utilities, construction, and administration is just over \$3 million dollars.

Active construction is anticipated to be completed by early 2023. Residents should expect occasional construction traffic entering and exiting the Accotink Park Road entrance. Portions of the surrounding Lake Accotink Trail will be closed and posted during construction.

CUSTOMER TESTIMONIALS

"I love this pool. The community is warm and welcoming and the kids have made lifelong friends here, as have I" - Heidi

"We joined the pool in 2010/11. We absolutely love being members there. They have a phenomenal swim and dive team, excellent lifeguards, and a wonderful pool compound. There are also wonderful activities held throughout the swim season. You feel like you're a part of a family. We are sad every time it closes for the season, but eagerly look forward to opening day!" - Lisa

"I drove past your pool and the pool and grounds look amazing! We have 4 kids so we wanted to have a nice playground and grounds. Most of the others we drove to see were not nearly as nice as yours!" - Paige
