VOL. XLIII Issue 8

FROM THE PRESIDENT

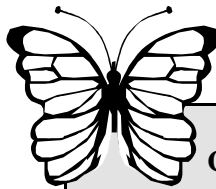

May's Farmer Newsletter Will Be The Last Newsletter, Unless Someone Volunteers To Be The Editor(s). Contact me today!

Well, spring is finally here as evidenced by the flowers poking through our recent April snow. We have lots of interesting activities coming up at the Lake and in the community, so check out our website:

www.ravensworthfarm.org. Thanks to Tom Mathis, we now have a Ravensworth blog. Thanks to Don McIlvaine for having his crew clear the walkway of snow this winter along Braddock Road. Thanks to Hans Jansen for helping with energy conservation and to Ellen Eggerton and Stan Orndorff for taking over the architectural/zoning committee. It is only through concerned volunteers that we make our community such a nice place to live. Keep an eye out for the new Swiss Bakery at the shopping center and a new store or two coming soon.

Has anyone noticed the cormorants lately on Lake Accotink? Those are fine looking birds. We still have lots of foxes coming into the neighborhood, but I haven't seen the coyote recently. Fishing is in full swing at the lake now. Mark Schubert caught the largest Lake Accotink lunker I've seen: a citation size largemouth bass.

plant removal at Accotink Park, contact Duane Murphy at "coordinator@accotink.org". They could use the help and you get to spend some time with nature, with the added benefit of checking out what cool critters flow through our creek.

We are fast approaching mosquito season and you can help. Check out: <http://www.fairfaxcounty.gov/hd/westnile/wveliminate.htm> for details. Eliminate or treat the standing water where mosquitoes lay their eggs. Most mosquitoes are poor flyers. If you are being bitten by them, they are probably breeding around your home. Many mosquitoes prefer to breed in still water held in artificial containers and need only a few tablespoons of water to breed. To discourage them, take the following steps: clean leaves and debris out of gutters frequently to ensure that water flows freely and does not accumulate; be sure that flexible plastic pipes used for downspout drainage are installed correctly, so that water may drain freely; and remove any old tires left outside or make sure they are clear of water.

GOLDEN RAVENS

Please join us at our May meeting for a farewell party for Dick and Allie Hunter (our Co-Presidents) who are retiring to Missouri. We will meet on Wednesday, May 23rd, at 11:30 a.m., at the church (Community of Christ), 5610 Inverchapel Road. We all wish them a fond farewell and much happiness in the future. This will be a potluck lunch (except for our honored guests), and everyone in Ravensworth Farm is invited. Questions or suggestions? Call Dick or Martha Sargent (703) 321-9143, or Ruth Miller (703) 321-7477. Hope to see you there.

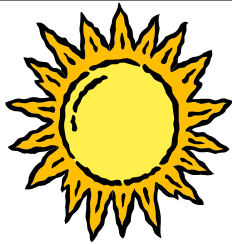

CONSIDERING CONSTRUCTION THIS SPRING?

Before you start, be sure to review the covenants in the RFCA telephone directory, pages 6-8. Did you know the following covenants exist for our community: no metal garages, no more than two doors in garages; and fences can't be more than 48 inches in height, can't extend beyond the front line of the house, and must be 50% open design.

BOTHERED BY POTHOLES?

VDOT has received a list of the potholes in the streets of the Ravensworth community.

RAVENSWORTH FARM STRATEGIC PLANNING

Thank you, very much to everyone who made our General Meeting such a success! We held our first community strategic planning meeting on March 29, 2007. As a group, we created a Vision Statement, a Mission Statement, and a list of concerns and opportunities for improvement. We did some prioritizing of these issues within broad categories.

A Vision Statement describes the future identity, while a Mission Statement describes how we achieve the vision.

VISION AS GENERATED BY THE GROUP – By 2012, we would like Ravensworth Farm to be an attractive, open, family-oriented, community that fosters diversity and a healthy environment, which is safe and close knit, with access to convenient amenities.

We are working on this draft to make it really capture the values of what we want to promote in our community. Some reoccurring themes are: Attractiveness, Family Orientation, Cultural Diversity, Safety, Closed-knit, Hometown Feel, Environmentally Friendly, and Healthy. If anyone has a version that captures what you feel are important considerations for our community, please contact a board member and share your thoughts. A good vision statement is about 20 words that identify us as a community.

The Board of Directors will evaluate the Vision Statement and refine it to present it to the community in a future communication.

MISSION AS GENERATED BY THE GROUP – The Ravensworth Farm Civic Association focuses the volunteer energies of the community, promotes community interests, and responds to community needs.

The Board agrees that this is an outstanding Mission Statement that will help guide our decisions toward achieving our vision.

A brainstorming session led to the creation of issues and opportunities for community improvement. After generating our list, we categorized the items into eight broad categories. They are: Green (environment-friendly projects), Community (creating a close-knit, family oriented diverse and open atmosphere), Safety, Zoning (covenants, architecture and restrictions), Appearance (cleanliness and appeal of the community), Parks and Recreation (creating and maintaining leisure venues and activities), Transportation (improvement in mobility of members of the community), and Public Relations (internal and external communications).

At the Board meeting on April 12th, the items were reviewed to determine which ones would yield quick results. The following list (Pg. 6) indicates how the group prioritized the issues and where the Board sees the best success for the immediate effort. Obviously, some of the issues on the list will take longer and involve more resources, especially you, the community and your volunteer effort to help achieve our collective Vision of an outstanding community of choice. If you are interested in helping out with any of these projects, or helping to plan an overall approach to achieving the Vision, please speak to a Board member and let us know. We look forward to your support.

MAY'S MEMBERSHIP MEETING—THURSDAY, MAY 24TH

Please join us as we continue our community discussion and learn about home safety from our Fairfax County Police. Don't miss out.

GREEN CORNER

Nature Hike at Lake Accotink

Come along on a nature night hike just for Ravensworth residents, led by Lake Accotink Park staff. The forest comes alive after dark! The tentative date is May 12th, from 8:30 p.m. - 10:00 p.m. Appropriate for everyone seven years and up. Call Jim Hickey at (703) 321-8535 for more information or to reserve your spot.

Also celebrate Earth/Arbor Day on Saturday, April 28th, from 11:00 a.m. - 4:00 p.m., at the Annandale Campus of Northern Virginia Community College. Events are planned to interest all age groups, for example, a climbing wall, Baltimore zoomobile, petting zoo, learning safari, etc.

Trees Promote Biodiversity

A healthy tree or forest encourages many different plants and animals to flourish. Scientists study treetop dwellers and often are astounded by the variety of life there. In the other direction, the most biologically rich place in the forest is the soil. Millions of tiny bacteria and other organisms found in the soil create the living base for the forest. From top to bottom, trees in the forest have various living parts that work together and continue to function in a community of relationships. (Adapted from Conservation Currents, Northern Virginia Soil and Water Conservation District, Jan. 2003)

GREEN THUMB GARDEN CLUB

The April meeting was held at Lake Accotink Park, where members watched a video presentation about the history of the park and lake. Afterwards, the members toured the butterfly garden at the marina, which the club maintains. The topic for May's meeting is "Accents and Special Touches in a Garden." If you are interested in joining, please call Mary Ann Rish at (703) 321-7447.

Remember to visit the Garden Club's annual plant sale at the shopping center on Saturday, May 12th, 9:00 a.m. - 1:00 p.m. Pick-up plants and shrubs nurtured by the Club members at low prices.

GARDEN OF THE SEASON JUDGING - MONDAY, MAY 7TH

The spring judging of the Garden of the Season will take place on Monday, May 7th. First, second and third place winners will have signs placed in their yards. In lieu of prizes, contributions will be donated to the Ronald McDonald House next to INOVA Fairfax Hospital. The addresses of the winners and honorable mentions will be published in the May Farmer. NOTE: Garden Club members are ineligible and first place winners are excluded from winning for the next four judgments.

GARDENING TIPS FOR MARCH

1. Fertilize everything
2. Plant groundcovers and perennials
3. Spray azaleas for lace bug
4. Spray junipers and dwarf evergreens for mites
5. Remulch

28TH ANNUAL COMMUNITY YARD SALE: SATURDAY, MAY 5, 2007

The Ravensworth Farm Civic Association will sponsor the 28th Annual Community Yard Sale on **Saturday, May 5th** at the **Ravensworth Swim and Racquet Club** from **8:30 AM to 1:00 PM**. This opportunity to participate in a multi-family sale is restricted to residents with no charge to participants (one of the benefits from membership dues). Advertising costs and arrangements will be handled by your Civic Association.

If you are new to our community or have never participated in this popular event, we urge you to join us this year. Reservations are not required -- just show up early, pick a spot, and "set up shop". If you have no items to sell, plan to attend, meet your neighbors, browse for bargains, and enjoy the congenial atmosphere. Remember -- there is no cost to participants, and all residents are encouraged to take part. There are no plans for a Fall Community Yard Sale, so use this opportunity to clear out the basement or attic. Questions, call **Suzie Eggleston** at **703-321-2070**.

BOY SCOUTS LEND A HELPING HAND AT COMMUNITY YARD SALE (SATURDAY, MAY 5)

The Scouts are trying to raise money to pay for new camping equipment and a trailer to carry their equipment to their outings. The Scouts will be available to help set up tables, carry items to/from your vehicle and they will be cooking and serving food for donations.

Please come out on **Saturday, May 5th**, sell some of your family goods, help support the Boy Scouts of Troop 991. Call Suzie Eggleston if you have any questions about this fundraiser or the Community Yard Sale at 703 321 2070

NEWS FROM RAVENSWORTH ELEMENTARY SCHOOL

Students and staff members have returned from spring vacation rejuvenated and ready for the rest of the school year! We have many exciting school events. As always, our community members are invited to join us for the following evening activities:

- **May 1st: PTA meeting/Band Concert**
- **May 9th: Barnes and Noble Night (store at Springfield Mall)**

We will be celebrating our wonderful instructional staff during Teacher Appreciation Week (May 7th-11th). This will be my last year at Ravensworth. In the fall, I will be retiring from Fairfax County Public Schools after thirty years. Most of those years have been as an elementary principal. Ravensworth Farm is extremely fortunate to have such a wonderful community school. Ravensworth ES has truly been my "second home," and I will miss it greatly.

Pam McClelland, Principal

SINGING THE PRAISES OF ANNANDALE HIGH SCHOOL

Over the past four years that I have spent at Annandale, I have had nothing but positive experiences. Annandale is unique in both its traditions and its culture. Unlike other schools in the county, Annandale's football stadium is packed for every game, both home and away, with highly spirited students.

A common motto AHS uses to describe itself is "A tradition of excellence." AHS never fails to live up to this

motto. Not only is Annandale home to award winning band, choral, and orchestra programs, AHS also offers a nationally ranked newspaper as well as a thriving marketing program and excellent drama department. Furthermore, AHS offers the International Baccalaureate Program, which allows motivated students to excel academically as well.

Finally, my personal favorite aspect of Annandale is the culture. AHS is made up of countless students from different ethnicities, faiths and beliefs. This cultural melting pot allows all students to meet and interact with students who may view the world differently than they do. Annandale High School provides great academic and social opportunities for all of its students.

2007 ATOMS 5K RUN/WALK

The third annual Annandale Atoms 5K Run/Walk will be held on Saturday, May 12, 2007, starting at 8:30 a.m., on Four Year Run of the Annandale High School Campus. There will be trophies and medals for participants. Annandale High School's award-winning marching band will play during the event. The cost is \$18 for those who sign-up by April 30th, and \$20 thereafter. In addition, there is a special reduced rate of \$12 for current AHS students. Information on how to register by mail or online is available at the Annandale Atoms website: <http://www.annandaleatoms.com>. The proceeds from this event will benefit the athletic programs at Annandale High School. If you need additional information, or would like to volunteer, please contact Jim Connor at jconnor3@cox.net or Steve Price at SPrice@washgas.com.

COMMUNITY CLEAN-UP

At our clean-up, 4.7 tons of trash and 2.16 tons of metal were collected and removed from our community, slightly less than last year's total. The coordinator, Dick Sargent would like to thank Jim Hickey, Suzanne Dorick, Paul and Betty Morgan, Dave and Suzie Eggleston, and fifteen Boy Scouts from Troop 991 for their invaluable services unloading trash from vehicles. Don Hillner and a crew of Scouts picked up and loaded his truck with about twelve loads of trash from the neighborhood. Thank you to Gloria Brissman and Martha Sargent for providing refreshments for the workers. Thank you to all the residents for cleaning-up our neighborhood.

CANNON FIRE - HEADS UP!

On Saturday, April 28th, at Lake Accotink Park, around 1:00 p.m., you might hear cannon and musket fire, which are part of a Civil War Living History Program sponsored by the Park.

ENERGY CONSERVATIONS TIPS RIGHT HERE IN RAVENSWORTH

Wasting energy is throwing away money. Why should we do that? Most energy wasting happens without us realizing it until we are hit with a big utility bill. In hindsight, you wonder if you could have been \$1,000-\$5,000 richer now if you had started to save energy 10 years ago.

You can start at home with the easy things. We want to organize a group of volunteer residents who can help right where you live. Please contact me if you are interested in helping set-up this service to our community.

The first volunteer is: Hans Jansen. I am retired after doing energy conservation programs in developing countries for the last 15 years. My wife, Lisa, and I moved to Ravensworth Farm less than a year ago. I want to lead the Ravensworth community on the path that I have shown so many communities elsewhere, to live in a more sustainable way, by wasting less energy.

My phone number is (703) 321-4919. Call today and learn how to conserve energy.

T. Hans Jansen, Development Coach

RAVENSWORTH STREET NAMES TRACE ORIGINS TO THE CIVIL WAR

Check out our website for the ones that the editors have researched over the years. Here is the most recent addition.

Nutting: Col. Joseph H. Nutting, of the Twenty-Seventh Massachusetts Regiment, was a courageous and respected leader. As his regiment attacked Drewry's Bluff on the James River near Richmond in May 1864, Nutting and his sword were captured. In November 1864, Nutting escaped his imprisonment from Charleston, South Carolina and later rejoined his regiment. At the end of the Civil War, Nutting's sword was returned to him after the arrest of President Jefferson Davis, who had possession of the sword.

FROM THE EDITORS - THANKS FOR THE MEMORIES

May's issue of the Farmer Newsletter will be our last as editors. We are not moving, just retiring because of other commitments. After responding to a request for volunteers, we became editors in December 1989. In our early years, the typists used stencils, the Farmer was printed on a mimeograph machine at the school, and then residents circled a library table collating and stapling the newsletter for the scouts to deliver. [Can you imagine all the community news that was exchanged during those collation sessions?] Today, the Farmer is typed on computers, emailed to the print shop at Key Intermediate, where it is printed, collated and stapled by Special Ed students. We have also expanded to a website and a blog. Our time commitment (including the board meeting) is one to one-and-a-half days per month, from September through May. Please volunteer today. Call Brent at (703) 321-8383 or the Lipseys at (703) 321-2824.
