

MANDR HOUSE 1796-1925
RAVENSWORTH PLANTATION, VA.

**The Official Publication of the Ravensworth Farm Civic Association, Inc.
Springfield, Virginia**

December 2007

The Ravensworth *Farmer*

VOL. XLIV Issue 4

FROM THE PRESIDENT

Dear Farmers,

Ravensworth had a 38.5% voter turnout for the last election versus a county average of only 33.3%. I'm happy we had such a good turnout for an "off year" election. Remember, every vote does count, so encourage neighbors and friends to vote.

Watch for the Belgian draft horses **Sunday December 23**, the **caroling on December 16**, **decorations judging December 14-16**, and other fun activities this month.

If anyone wants to take over the organizing of the Halloween party next year, it would be greatly appreciated. Everyone sure enjoys seeing the kids walk around the neighborhood in their costumes. It was nice to see so many kids out trick or treating this year. The O'Neills did a great job up there on Moultrie with their haunted house.

Hope everyone has a nice December and maybe we'll get a little snow.

Brent Reynolds—President, RFCA
Email: prez@ravensworthfarm.org
Cell: (571) 214-9068

Article I, Section 3, of the Civic Association's By-Laws provides that the Association shall be strictly non-partisan, non-political, and non-sectarian. Accordingly, the invitation of elected officials and other public figures to speak at Association meetings, and the inclusion of paid political or commercial advertisements in the Farmer or in the attached flyers, do not constitute endorsements by the Association.

JANUARY FARMER DEADLINE

Please submit all information for the January issue of the Farmer by **Friday, January 4** to Kathleen Powers.

TO: RAVENSWORTH FARM CIVIC ASSOCIATION

To: Ravensworth Farm Civic Association,

Fr: Gus Nielsen

To the Ravensworth Farm Civic Association:

Recently, for my Eagle Scout Project I erected stands with bags in them for trail users to pick up after their pets. I would like to extend my thanks to the many people who helped me accomplish this task. First, the Civic Association, including Brent Reynolds and Richmon Tun, which sponsored my project and donated the funds to buy the stands. Second, to my fellow scouts in Troop 991, based here in Ravensworth. Without their help the stands would never have made it into the ground. Third, I express my thanks to the Lake Accotink Park Authority, including Tawny Hammond and Lee Ann Shenefiel. Fourth, I express my thanks to all of the others who helped along the way, whose help was indispensable in completing this final phase of my scouting career. The project was a complete success, and I hope that the residents of Ravensworth will use the stands liberally, keeping our trail and lake cleaner, safer, and more beautiful so that I may return in the future to the same place where I grew up. Again, my sincerest gratitude goes to all of those who helped with my project.

Many thanks,
Gus Nielsen, Troop 991, 17 year Ravensworth resident

ENERGY CONSERVATION IN RAVENSWORTH

The Green Service Center, GSC.

Why energy conservation?

- Wasting energy is throwing away money. --- Why should we do that? Sometimes it happens without our knowing, and certainly gives no pleasure.
- In hindsight, you could have been \$1000-5000 richer now, if you had started to save energy 10 years ago.
- Energy is becoming scarcer, and more people on this planet need more of it. So the prices are going up. No doubt about that.
- Be ahead of the crowd, be prepared and begin saving energy in your home.

Goal.

In the long run we achieve a “**Green Community**”, and become less dependent on oil, electricity and gas. As the price of electricity goes up, we can also demand better service from our suppliers, with fewer power outages.

Step-by-step.

Step 1. **Start at Home** with the easy things:

- Switch off the lights when you leave the room, or do it automatically.
- Replace the lamps with Compact Fluorescent Lamps (CFL) or LED. Individual homes may save 10-20 percent on their electric bills this way. The CFL bulbs cost a bit more than the normal bulbs but they last 5 to 8 times longer, so there is your first savings. Moreover, the average CFL saves you \$20 to \$40 over its lifetime.
- Lower the thermostat of the heating at night, and raise the cooling thermostat at night a few degrees. This might save you up to 10 percent on both the electric bill in summer and the gas bill in winter.
- Don't cut down your trees. Their shade saves you 30 % on your air conditioning costs.
- Take the walk-through audit (cost only \$35) from the Green Service Center. We analyze your energy bills from the past 12 months, and look at your potential savings in the house. In a short report, we show you ways to save energy in your home. If you follow our advice, you can recoup the audit cost on your very next energy bill, and continue to save on the next bills.

Step 2. Detailed energy advice: With the saved money of Step 1 you can pay for a **detailed energy audit** with advice on investments in better wall and roof insulation and windows (saves heating and cooling), a better furnace or air-conditioner. These long-term home improvements may save 20-30 % of your energy bills. Dominion Power and Washington Gas can help a bit with the initial costs. We can show you the way.

Step 3. Join the Ravensworth Green Service Center: The Green Service Center is a non-profit entity, under the Green Committee of the Ravensworth Farm Civic Association, Inc. We give advice and counseling to every member of the Ravensworth community on how to save energy.

The **Green Service Center** can also lead you on the way to get your part of government support for energy conservation investments. The Green Service Center demonstrates and keeps a small stock of the most commonly needed low-mercury CFLs, the most advanced LED lamps and solar hats with fan.

We need enthusiastic volunteers to expand the **Green Service Center**. Please contact 703-321-4919 if you are interested in joining the Ravensworth Green Service Center. We will provide the training when you need it.

Information about the first volunteer: Hans Jansen, 5505 Inverchapel rd. Ph. 703-321-4919. I am retired after doing several nation-wide energy conservation programs in developing countries for the last 15 years. We (my wife Lisa and I) moved to Ravensworth Farm about a year ago. Here, I want to show the Ravensworth community the path that we have shown so many communities elsewhere, to live in a more sustainable way by wasting less energy and money.

NAME THAT NEWT!

The Green Committee of the Ravensworth Farms Civic Association has a logo, courtesy of neighborhood artist Chris Lipsey. It is a red-spotted newt and is native to Northern Virginia. Chris used to see them at Lake Accotink as a boy.

But our newt has no name! So, we are turning to the elementary school students to help us name him/her/it. Submit your idea for a chance to win a prize! The contest is open to all elementary students who live in Ravensworth or attend Ravensworth Elementary school.

The Green Committee works on environmental and energy issues to make our neighborhood a healthier and better place to live.

Include your name, grade, school, address and phone number along with your suggestion.

Send all submissions to Jim Hickey, 5308 Nutting or give them to any committee member or Margaret Kinder at Ravensworth Elementary.

The deadline is the end of the year, so name our newt!

SWEET MONDAY—A MONTHLY SOCIAL FOR THE LADIES OF RAVENSWORTH FARM

Join the ladies of Ravensworth Farm for a night of relaxation, laughter and discussion. We meet the first Monday of every month and each month has a fun theme, sweet food and great fellowship. Feel free to bring a friend!

No commitment to come each month required. Come late, leave early — whatever you need to do is fine. Kids 5+ can come and watch a movie while we chat.

Next Gathering: January 7, 2008—7:30PM to 9:00PM

RSVP: A Aberle, (703) 321 3379 — 7938 Ellet Road

HAPPY HOLIDAYS FROM THE GOLDEN RAVENS

In planning ahead, it seems best not schedule meetings (due to unpredictable weather), but rather eat out at restaurants in January and February. The locations of the restaurants will be identified when we phone you. On January 24, meet at the Community of Christ Church, 5610 Inverchapel Road, at 11:00 a.m. to carpool to the restaurant. Questions? Need info? Please call Dick or Martha Sargent 321-9143 or Ruth Miller 321-7477.

❄️ ❄️ ❄️ ❄️ ❄️ ❄️ ❄️

Seasons Greetings

SIGHTS AND LIGHTS OF THE SEASON

Greetings fellow residents! With only a few days left until Thanksgiving, time is near to untangle your strings of lights, test the bulbs and make sure that all the holiday decorations, which were carefully stored last year, are in top-notch shape for another fabulous **Ravensworth Holiday Display!** This year's judging will take place on **Friday, Saturday and Sunday, December 14th, 15th and 16th.** Remember that the categories of judging will be:

- | | |
|---------------------------|------------------------------------------------------|
| * Best Overall | * Most Original |
| * Best Religious | * Kid's Favorite |
| * Best Door/Window | * Best Daytime Display (garden of the season) |

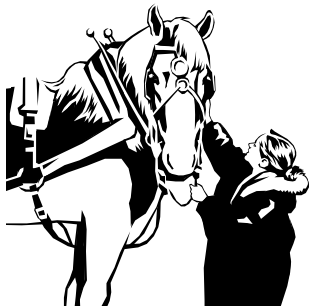

If you wish to be included for consideration of an award, please have your lights on Friday, Saturday and Sunday evenings from 6 P.M. to 10 P.M. Garden Displays will be viewed during daylight hours on those days as well. As in year's past, if you spot a home deserving of special recognition, please e-mail RFCAholiday@att.net. This year, residents will have an extra week to decorate. **The winners will be posted at our website: www.ravensworthfarm.org** as soon as judging is complete. Also, the results will be published in the January edition of the Farmer. Please remember that we invite everyone's participation. However, homes that won a category last year are not eligible to win this year. Good luck!

HOLIDAY CAROLING IN THE NEIGHBORHOOD

On Sunday evening, **December 16th at 6:00 P.M.** we invite you, your family (of all ages) and neighbors to join in an evening of holiday songs to residents of the Ravensworth Farm community. It has been our tradition for well over 20 years now for our singers to join together at the **Community of Christ Church at 5610 Inverchapel Road** where we will receive songbooks and join together for caroling around the Ravensworth Farm community. When we finish singing, usually about 1 to 1 ½ hours, (or when it grows too cold!) our group will return to the church for baked goodies and beverages. This time together provides additional opportunity for the singers from around the neighborhood to visit with each other. So mark your calendars, bring your flashlights to see the songbooks, and come on out to enjoy a fun evening while bringing joy and heartfelt holiday greetings to your neighbors in Ravensworth Farm. Please contact Wally Evers at 703-313-8254 before December 15 to let us know how many to expect, or to find out any other information. Also, call Wally if the weather that evening is questionable. Unless there's a rainstorm or heavy snow, it's usually "a go".

HOLIDAY HORSE & WAGON RIDE FOR CHILDREN

We have a **change of date** for this great holiday activity! You can still see those beautiful Belgian horses again and ride through the neighborhood enjoying the Holiday lights..... Ravensworth Farm's Holiday Caroling Hayride will take place on **SUNDAY, DECEMBER 23RD; 5-8 pm** at 5622 Inverchapel Road. Please walk or bike to the hayride if possible. Join in this part of our community's holiday celebration. Please pass along information to your friends and relatives, too. If anyone wishes to bring cookies, snacks, food it is all appreciated.....

PROBLEM HOUSES

The county is actively looking into problem homes. Here's how to verify whether a construction site has an active permit with Fairfax County. Go to: <http://www.fairfaxcounty.gov/>.

On the right hand side under **subjects**, select **building permit**. On the next page go to the third paragraph and select the **FIDO** link. The under building plans view by address and all the active permits for this address will appear by date.

Here's how to report housing and neighborhood problems: On the right hand side under subjects, select building permits. Then, on the next page go to step 3 and select code enforcement. The following page allows you to report all kinds of problems.

Ellen Eggerton, Mechanical Engineer
Commercial Building Plan Review, DPWES, County of Fairfax, VA, 703-324-1861

FCPL GOES GREEN!

The Fairfax County Public Library system just opened its first "green" branch library in September. Using sustainable building practices, local resources plus efficient energy and water systems, the Oakton Library is the first library building in the county to meet the criteria of the Leadership Energy and Environment Design (LEED) program, sponsored by the U.S. Green Building Council. Other buildings in the local area meeting this standard are the Fairfax Center and Crosspointe Fire Stations. The Burke Center Library, expected to be completed in summer 2008, will also be registered as a LEED-certified building.

More information about the Fairfax County Green Building Project can be found at: <http://www.fairfaxcounty.gov/dpwes>.

GARDEN CLUB

The Garden of the Season winners are as follows:

1st place: Mr. and Mrs. Charles Daimler, 5616 Rathbone Place
2nd place: Mr. and Mrs. Zamzam Ghorieshi, 8133 Drayton Lane
3rd place: Mr. and Mrs. Richard Brandt, 5406 Nutting Drive

In recognition of their hard work, a donation has been made to the Ronald McDonald house.

The club always welcomes new members. Anyone interested should call Laura Asiello at 703 321 7840.

WINTER GARDENING TIPS

- Soak soil around broad-leaf evergreens, conifers and bulbs before ground freezes. This is especially important because of the drought conditions experienced this summer.
- Make sure roots of plants you care about are mulched before deep freezing occurs.
- Don't forget our feathered friends: Provide food for wildlife with native plants that offer acorns, berries and seeds.
- Provide additional cover for wildlife by starting a compost pile of needles from pinecones and wreaths from your holiday decorations.
- Clean and fill your birdbath on a regular basis. Consider installing a heater if the temperatures go below freezing.

INFORMACION IMPORTANTE DE NUESTROS DESAGUES DE TORMENTAS

Los desagües de tormentas no son basureros! Cada vez que llueve, escombros y desperdicios se van por los desagües. Además, todo lo que usted ponga en los desagües se va directamente a los riachuelos locales.

Pasos para mantener limpio nuestros drenajes:

- 1) Bote la basura en los basureros. Recoja la basura enfrente de su casa y póngala fuera del alcance de los desagües.
- 2) Evite usar demasiado fertilizantes, pesticidas o herbicidas; también evite usarlos antes de una tormenta.
- 3) Lleve el aceite usado de motor y el anticongelante a la gasolinera más cercana. Nunca tire pinturas o limpiadores en el drenaje! Es contra la ley! Llame a la línea de información de desperdicios peligrosos al 703-324-5068 por si tiene preguntas de desperdicios de pinturas y limpiadores.
- 4) Tire los desperdicios de sus animales domésticos al inodoro, entiérrelos o póngalos en la basura.
- 5) Evite lavar carros en la casa, lavar aceite, gasolina o detergentes que se van al drenaje.

폭우가 흐르게 되는 하수구에 대한 중대한 공고

폭우가 흐르게 되는 하수구는 쓰레기 통이 아닙니다!

비가 올 때마다 온갖 잡 부스러기와 쓰레기가 이 큰 하수구로 쓸려 내려갑니다. 그뿐 아니라 여러분이 버리는 온갖 쓰레기들이 바로 그 지역의 강이나 시내로 흘러 들어갑니다.

하수구를 깨끗하게 지키는 방법:

- 1) 찌꺼기는 쓰레기 통에 버리십시오. 길에 버려진 쓰레기는 주워서 쓰레기통에 버리고 하수구 주변을 깨끗이 합시다.
 - 2) 과도한 비료, 살충제 혹은 제초제의 사용을 피하시고 특히 폭우가 오기 전의 사용을 금합니다.
 - 3) 여러분 주위의 주유소에서 사용하고 난 기름이나 부동액의 처리를 잘 하십시오. 절대로 가정에서 사용한 페인트나 페인트 지우는 액을 하수구에다 버리지 마십시오. 이것은 법에 저촉이 됩니다.
- 전화 번호 703- 324- 5068로 전화 하시면 이러한 위험한 쓰레기의 처리법에 대한 정보를 얻으실 수 있습니다.
- 4) 애완동물 동물로 인한 오물들은 화장실 변기를 통해 흘러 내려보내시고, 땅에 묻든지 또는 음식 찌꺼기 버리는 쓰레기 통에 버리십시오.
 - 5) 집에서 차를 씻음으로써 기름이나, 가스, 세척제가 하수구로 흘러 들어가게 하지 마십시오.

THANK YOU

A special thank you goes out to Monica Kim and Dinora Gonzales for translating the storm drain information for us this month!
